also taken in the
case of ill health.
Now it seems that
the journey on the 4th
of July was merely formal
to enable him to
get the benefit of full
pay during the period of the
privilege leave and take
sick leave practically
in continuation. This is
opposed to Art. 442 of the
Service Regulations. The
declaration to be filed
requires that the leave
of the kind mentioned
including sick leave
therein subject to certain
exceptions should not
be applied for three months
after return to duty. There
has no doubt been an
evasion of the rule. But
the question is whether
under the circumstances
the leave being urgently
required upon medical
ground, it may not be
granted

In this Office docket of
the 26th August, 1902,
(Paper S. No 9), the Senior
Surgeon was requested
to report why the sick
leave now recommended
and the privilege leave
granted to Dr. Appadorai
Muthu should not be
converted into leave on
medical certificate with
refce to Article 442 of
the M. S. Regns and the
note thereunder. In
reply the Senior Surgeon
reports

reports that the Asst Surgeon in question did not choose to take leave under the recent order of Govt (printed Copy put up), and that therefore his leave should be converted into sick leave. Because the Asstt Surgeon returned to duty for ~~de~~ a day, viz on the 11th July, 1902, after availing himself of the 2 months and 10 days' privilege leave that was at his credit, he has been debarred from getting leave of other description combined with the privilege leave — a Concession recently sanctd by Govt in their order of the 30th July, 1902. ~~The case seem to be heard out~~

Submitted for orders.

It is not understood why ~~Surgeon~~ Mr. Uppadurai Modaliar declined to take the leave under the new Rules issued under Govt Proc No 1983–2022 – Q 30th July 1902 PDA 154.

30th July 1902, Mr Appadurai Mudr is entitled to combine his privilege leave with leave on Medl certificate the total period being more than six months - Our first order Nos 5249-56 Mis 798 dated 31 Oct 1902 was, I believe, based upon the ground that the total period of leave at that time was within 6 months. The enclosures of your docket under reference are herewith returned.

Sir

In continuation of my letter dated 10th instant I beg to state that in interest of public service I took in the beginning a short term of a month's privilege leave owing to my illness, but as I was not cured of it thereby, I had to apply for a further extension of 1 month and 10 days, making a total 2 months and 10 days. The whole period was converted into leave on half pay on my applying for a further extension of 3 months on medical certificate, under article 218 of the Mysore Service Regulations as notified in Government Proceedings No. 5[illegible] -50-/-Mis-7-98-Dt:-30-9-02.

Recently Government have passed Proceedings that sick leave may be had as continuation of privilege leave and under rule Doctor Athchutha Rao & others were given full pay for the period they were on privilege leave, though they had taken sick leave

confirmation. I therefore request that
it will be so good as to recommend to the
Government to accede to the above Concession.

I have the honor to be
